#### Panel Bios:

##### Rick Boyer

Multimedia artist with over 10 years of experience specializing in caricature carving. Rick has won multiple awards for his work.

##### Laurie Farrell

Laurie has been an active member of NEWC and the Calousa Carvers for about 8-9 years. She has won ribbons for bird carvings, cottonwood bark and relief carvings and enjoys all of these styles. She used a combination of hand tools as well as power tools based on the wood being carved.

##### Gail Godin

Multimedia artist with over 25 years of experience. Professional Photographer. Gail has won multiple awards and specializes in paint and color theory

##### Joe Marshal

Multimedia artist with over 40 years of experience. Specializing in caricature carving, Joe has won various awards and competes at the Master Level.

##### Robin Patten

Multimedia artist with over 20 years of experience. Robin began carving in 2013. With a strong focus on birds, Robin also carves fish and relief. He has won multiple awards including Best in Level 2016 "A Fish Story", SOW.

##### Kimberly Rhault

Multimedia artist with over 10 years of experience in woodcarving, specializing in power-carving birds. She sometimes assists in demonstrations and educating the public about judging criteria.
